

Great God *gave us* *our* Great Vision

for 2010 Loyalty Day

Wednesday, September 8, 2010

Our focus this year
will be on Missions
& Education.

Great Accomplishments

In the midst of economic challenges and with the tragedy in Haiti, you have been extraordinarily generous. Thank you. It makes me proud to see how quickly you respond to a need.

We still have more work to do.

Presiding Bishop Charles E. Blake ministers in Africa

EDUCATION

Our future leaders! We must continue to support our Seminaries and Institutes. Secondly, we will assist All Saints Bible College to introduce online classes.

C. H. Mason Theological Seminary grads

Our vision is to first meet all of the obligations of Missions & Education.

We can lighten the burden on each of us if all of us contribute.

Imagine if each of us gave \$20.00 — We could do so much!

That's the vision. That's what I want to see us do.

MISSIONS

We reach so many countries — Africa, South America, Central America, India. We must continue to support our missionaries and to assure that they have the resources to assist the people. Our newly constructed jurisdiction headquarters was not damaged in the Haiti earthquake and quickly became the location to medically treat 200 to 500 people a day thanks to your generosity.

We need the support of each Bishop, each Pastor, and each member to continue this great work. Your contributions will be tallied on September 8, 2010 when we celebrate Bishop Mason's birthday in Memphis or you can contribute online at www.cogic.com
